

For the Love of Gloucester Festival

AGL will soon be making a decision about whether to proceed with its flawed Gloucester gas project. Gloucester is a beautiful place with a spectacular environment which must not be allowed to become an industrial gas field. ***For the Love of Gloucester Festival*** will be held on the 12th, 13th and 14th February and is a celebration of all that is wonderful about a CSG free Gloucester.

Please join us for a weekend of great music, great food and great fun.

Gloucester showground will be the venue for camping and entertainment on Friday and Saturday nights. The showground will be open on Friday at 2.00pm for campers to arrive.

But you don't have to camp to join in the activities.

The For Love of Gloucester committee invite you to

- Enjoy live entertainment at the showground on Friday at 6.00pm and Saturday from 3.00pm.
- On Saturday morning, take part in our regular peaceful street walk through town to show AGL that they are not wanted. Start: 9.00 am, meet at the Billabong Park.
- Following the walk, visit the Gloucester Farmer's market.
